Open houses are a great way to ease into the real estate market or to market a home to a broad base of buyers. According to the National Association of REALTORS®, “48 percent of all buyers used an open house as a source in their home search process.” The Central Oregon Association of REALTORS® (COAR) will be hosting an Open House Weekend on September 24th-25th, 2016 throughout Central Oregon.

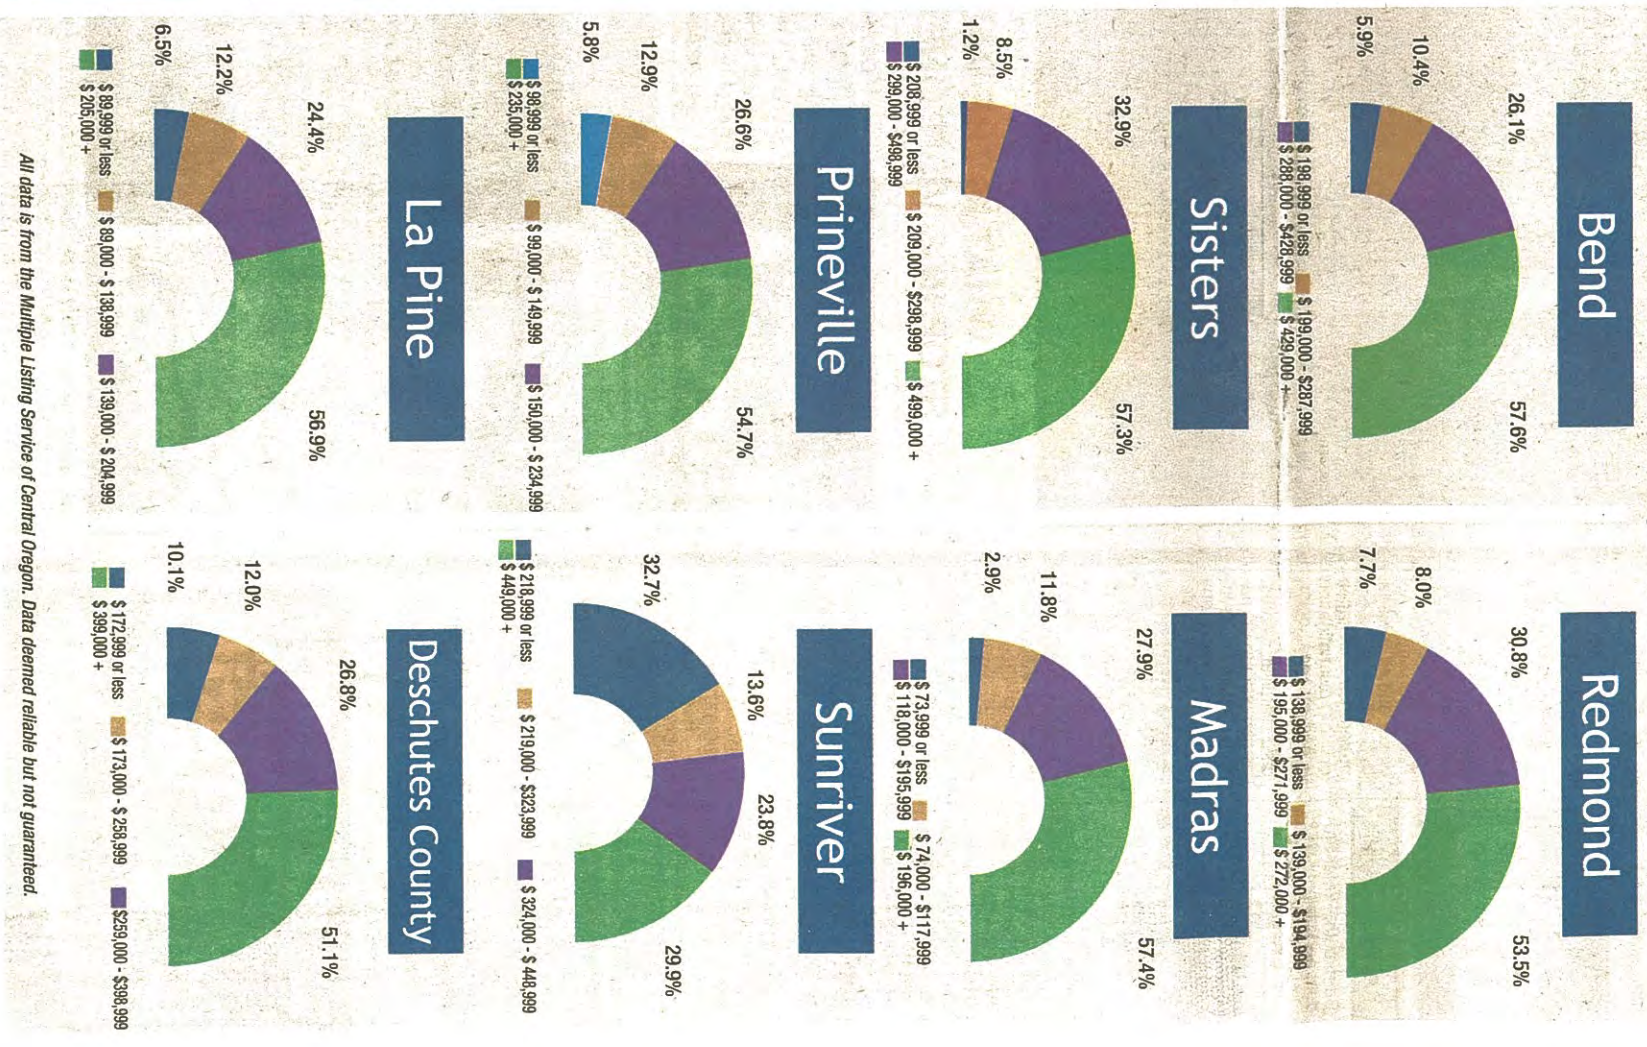

Participation in Open House Weekend is available to the public. Buyers can search for open houses at coar.com or bendhomes.com by property type, price, bedrooms, bathrooms, schools and a variety of other features. Sellers can work with one of COAR's 1,800 professional and knowledgeable REALTORS® to market the open house and sell the home.

In the past several years the number of homes participating in COAR's Open House Weekend has far surpassed the number of open houses on any other weekend of the year. So, contact your Realtor® about hosting an open house or get ready to tour some great homes!
